TOMORROW: "SINCE TOMORROW is the best post-apocalyptic novel I've read since Cormac McCarthy's THE ROAD" Jo Vonbargen "...a magnificent book that lays out an exquisitely formed vision of a broken world." A.F. Stewart "I could've been reading Faulkner or Hemingway, the writing was so powerful." Frederick Lee Brooke An old man rides a workhorse through the night, across mudslides, past stores abandoned for decades, past the rotted corpses of automobiles invisible under mounds of blackberry. Rain courses from his rabbit skin poncho. He carries a sword and a spear. He knows where to find the murderer. He will face him alone. "Since Tomorrow" is a novel of a world in the remaking. The old man, Frost, remembers the "good times". Those who live on his "farm" among collapsed warehouses and the foundations of vanished houses struggle to maintain human values. But when others in this makeshift world are driven only by greed and the need for power, all values must ultimately be replaced by the simple instinct for survival. In this full length novel Morgan Nyberg takes the reader to the West Coast of Canada, where the city of Vancouver has been transformed by climate change, pandemic, economic collapse and earthquake into "Town", a squalid, lawless place inhabited the desperate, the diseased and the dying. Taking advantage of this state of affairs is the formidable Langley, who grows poppies to produce "skag", a crude form of opium. Langley has amassed enough power to control a small private army. Now he is determined to acquire Frost's farm for himself. Recklessly opposing Langley is Frost's fearless but impulsive granddaughter, Noor. Like Russell Hoban's "Riddley Walker" or Cormac McCarthy's "The Road", "Since Tomorrow" demonstrates that there is room in the post-apocalyptic genre for exceptional writing. Morgan Nyberg tells nothing - he shows everything. In clear, sensuous prose free of commentary or explanation - prose as addictive as Langley's skag - he leads the reader toward that climactic night with Frost on his horse, and farther, to the threshold of a new, perhaps happier, era.

Multiple Choice Jul 27 2020 A "brilliant, innovative, beautiful" (The Guardian) book from the acclaimed author of Chilean Poet "Dazzling . . . a work of parody, but also of poetry." —The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, THE GUARDIAN, AND THE IRISH TIMES "Latin America's new literary star" (The New Yorker), Alejandro Zambra is celebrated around the world for his strikingly original, slyly funny, daringly unconventional fiction. Now, at the

height of his powers, Zambra returns with his most audaciously brilliant book yet. Written in the form of a standardized test, Multiple Choice invites the reader to respond to virtuoso language exercises and short narrative passages through multiple-choice questions that are thought-provoking, usually unanswerable, and often absurd. It offers a new kind of reading experience, one in which the reader participates directly in the creation of meaning, and the nature of storytelling itself is called into question. At once funny, poignant, and political, Multiple Choice is about love and family, authoritarianism and its legacies, and the conviction that, rather than learning to think for ourselves, we are trained to obey and repeat. Serious in its literary ambition and playful in its execution, it confirms Alejandro Zambra as one of the most important writers working in any language. NAMED A BEST BOOK OF THE SUMMER BY THE WALL STREET JOURNAL, ELLE, THE HUFFINGTON POST, THE MILLIONS, VOX, LIT HUB, THE BBC, THE GUARDIAN AND PUREWOW
