After the tragic death of his wife, Jasper, the 8th Duke of Bainbridge buried himself away in the dark cold walls of his home, Castle Blackwood. When he's coaxed out of his self-imposed exile to attend the amusements of the Frost Fair, his life is irrevocably changed by his fateful meeting with Lady Katherine Adamson. With her tight brown ringlets and silly white-ruffled gowns, Lady Katherine Adamson has found her dance card empty for two Seasons. After her father's passing, Katherine learned the unreliability of men, and is determined to depend on no one, except herself. Until she meets Jasper... In a desperate bid to avoid a match arranged by her family, Katherine makes the Duke of Bainbridge a shocking proposition—one that he accepts. Only, as Katherine begins to love Jasper, she finds the arrangement agreed upon is not enough. And Jasper is left to decide if protecting his heart is more important than fighting for Katherine's love. In the early twentieth century—not long after 1898, when the United States claimed the Philippines as an American colony—Filipinas/os became a vital part of the agricultural economy of California's fertile San Joaquin Delta. In downtown Stockton, they created Little Manila, a vibrant community of hotels, pool halls, dance halls, restaurants, grocery stores, churches, union halls, and barbershops. Little Manila was home to the largest community of Filipinas/os outside of the Philippines until the neighborhood was decimated by urban redevelopment in the 1960s. Narrating a history spanning much of the twentieth century, Dawn Bohulano Mabalon traces the growth of Stockton's Filipina/o American community, the birth and eventual destruction of Little Manila, and recent efforts to remember and preserve it. Mabalon draws on oral histories, newspapers, photographs, personal archives, and her own family's history in Stockton. She reveals how Filipina/o immigrants created a community and ethnic culture shaped by their identities as colonial subjects of the United States, their racialization in Stockton as brown people, and their collective experiences in the fields and in the Little Manila neighborhood. In the process, Mabalon places Filipinas/os at the center of the development of California agriculture and the urban West. In *Medicating Race*, Anne Pollock traces the intersecting discourses of race, pharmaceuticals, and heart disease in the United States over the past century, from the founding of cardiology through the FDA's approval of BiDil, the first drug sanctioned for use in a specific race. She examines wide-ranging aspects of the dynamic interplay of race and heart disease: articulations, among the founders of American

cardiology, of heart disease as a modern, and therefore white, illness; constructions of "normal" populations in epidemiological research, including the influential Framingham Heart Study; debates about the distinctiveness African American hypertension, which turn on disparate yet intersecting arguments about genetic legacies of slavery and the comparative efficacy of generic drugs; and physician advocacy for the urgent needs of black patients on professional, scientific, and social justice grounds. Ultimately, Pollock insists that those grappling with the meaning of racialized medical technologies must consider not only the troubled history of race and biomedicine but also its fraught yet vital present. Medical treatment should be seen as a site of, rather than an alternative to, political and social contestation. The aim of scholarly analysis should not be to settle matters of race and genetics, but to hold medicine more broadly accountable to truth and justice.

Will Eleanor ever trust this man with her heart? AUTHOR'S NOTE: This is a clean, short read, regency romance. It's a stand-alone story with an HEA, so no cliff-hangers. The pioneering scholar and author of *Food and Faith* and *Living the Sabbath* asserts that Christianity has slid off its rightful foundation, arguing that the faith only makes sense and can only be expressed in a healthy way if it seen as based on love, with a mission of training others in the way of love. It's often said that God is love, yet his message of compassion and caring for others is often overshadowed by the battles dividing us politically, culturally, and religiously. Why does Christianity matter

if it isn't about love? asks Duke University professor of Theology and Ecology Norman Wirzba. The Way of Love invites readers to experience Christianity that is centered on love. Extensive theological training cannot replace the way of love that transforms and connects each of us to God and the faith, Wirzba contends. Interweaving illuminating testimonials, historical references, and Scripture, he reveals how love allows us to move into the fullness of life; when we do not love we lose our faith. "To fail to love," he reminds us, "is to lose God." A #1 National Regency Romance Bestseller A Stranger to Love Alaric McLeod, Duke of Strathaven, is known as the Devil Duke for his wicked ways. Taming a Laird's Wild Lady Miss Isabelle Maddox, known as Isla, has never been one to follow rules. She would much rather a reckless ride on horseback than a dance in a ballroom but her father has very different ideas about her future. To further the families' fortune, he would see her married to a Scottish lord. Isla fears this will be the end of the life she treasures above all else. Gavin Campbell will never marry again. His past has taught him well, his first wife's spending has him teetering on the edge of financial ruin. Marriage is a disease, or so he thought until the headstrong Isla starts seeping into his heart and he begins to wonder if a woman like her might actually be a cure. Can Isla's wild ways tame this laird's heart? It was only supposed to be one night. Calliope Murphy was determined to prove to her family that she was as capable as the rest of them. That she could master a priceless painting to steal from a duke who is far too arrogant and pompous for his own good. But when Calli is discovered and mistaken for the new governess, one night of deceit becomes a much longer game -- one that Calli is not sure she can win. Jonathan Saville, the Duke of Hargreave, should be able to attain anything he desires. His fortune is as large as his entailed lands, and his title is enough to cause young women to overlook his surliness and vie for the role of his bride. But Jonathan learned long ago never to trust, and never to let anyone in too close -- most especially not his overeager niece and nephew, nor the far-too-tempting new governess. Posing as the governess to the Duke of Hargreave, Calli relishes the opportunity to spend as much time as she can with the painting she must perfect. But the more time she takes, the closer she becomes to the children -- and the duke himself, as she discovers that there is more to him than he allows most people to see. As they draw closer, she realizes she can never betray him. Betraying him, however, is the only option her brother allows her to choose. When the deception is complete, Calli isn't sure what all will be stolen -- the painting, the duke's trust, or, most at risk, her heart. For readers 18+ due to some steamy scenes. Their attraction was immediate and undeniable, but not everyone was pleased with their burgeoning romance. And with one treacherous act... Gabriel Ashcroft, the sixth Duke of Ainsworth and the eldest of the three brothers infamously dubbed "The Ashcroft Angels" by their throng of female admirers, had long been considered one of London's most eligible bachelors, much to his never-ending consternation. As such, he'd spent years eschewing the pursuits of the ton's marriage-minded debutantes and eluding their countless attempts to lure him to the altar. Thus, no one was more surprised than him when he found himself utterly entranced by an innocent young beauty on the verge of her debut, one who affected him as no other woman had before. But when the Earl of Beckford's eighteen-year-old daughter mysteriously turned up in his bed one morning, he realized that the young lady who'd garnered his interest wasn't nearly as innocent as she appeared. When Lady Penelope Houghton awoke in the Duke of Ainsworth's bed, she hadn't the slightest notion as to how she'd gotten there. Unfortunately, however, the man lying next to her, the sinfully handsome lord who'd captivated her with his beguiling charm and mesmerizing smile, was now convinced that she was nothing more than a duplicitous schemer who'd set out to trap him into marriage. Honor-bound to marry the conniving vixen, Gabriel vowed to keep his new bride at arm's length; but much to his annoyance he soon discovered that some things are easier said than done. Determined to earn her husband's trust and break through the invisible barrier that he'd erected between them, Penny would risk her heart time and again to prove her innocence as well as her love to the man she adored. But would it be enough... The second book in the clever, sexy Desperately Seeking Duke series from USA Today bestselling and RITA award-winning author Caroline Linden. An Officer and a Scotsman Captain Andrew St. James always knew he came from a noble family, but his branch grew far from the wealth and status. Nothing shocks him more than learning that he now stands as heir presumptive to his distant cousin the Duke of Carlyle. There is much for Drew to learn and adjust to—but first he goes home to Edinburgh, to tell his mother and three sisters of their startling good fortune. A Lady and a Temptress Ilsa Ramsay yearns for some adventure and fun, not another husband. When she discovers the handsome soldier who sweeps her off her feet for a rollicking dance is her friend's brother, soon to be an English duke, she tells herself he's not for her, no matter how tempting he is. But one impulsive kiss, then another, and another... says otherwise. An Irresistible Attraction Drew means to marry a respectable, dignified Englishwoman—a very proper future duchess. The spirited Ilsa is none of that. Still, when she's caught in a dangerous scandal, he leaps to her aid without hesitation. And neither family duty nor future obligation can make them ignore what's in both their hearts. Amazing value Regency two-story collection. Jam-packed with romance, love, and adventure. Charming dukes with attitudes and kind hearts. Lovely ladies who want to find love. You'll find all of this and much more in this collection. The collection includes: 1. The Duke's Reluctant Bride Jane is talented at many things, though being desired as a wife is not one of those talents. Jane and her sisters are what her parents consider prizes to be won. They are eager to marry their daughters off to the highest bidder but Jane wants to travel to Italy instead. Though it is a dream, Jane longs to spend time studying art and improving her drawings. She wants to spend her days and nights drawing and watching her work sell across the world. However, her parents do not approve of her dream and insist that it is far beyond time that she settle down. Much to her displeasure, Jane is given an ultimatum. She will marry by the end of the season to a man of her choosing or her mother will find a man for her. Since birth, Jane and Peggy have been attached at the hip. When Peggy gets married, Jane is more than happy though it means that she is losing her favorite sister. At the wedding, she meets one of the most aggravating men she has ever met. The man will not be cowed by the woman with a tongue as sharp as her mind. Instead he is intrigued by her but at every turn she pushes him further away. Before long, everything has become too much for Jane to deal with. One fateful Sunday after Jane discovers that her father has accepted a proposal on her behalf, she packs her bags and runs away, potentially ruining her future forever. 2. Governess for the Charming Duke Cora Masterson is a governess running from a wealthy past. With no family to speak of and a desire to own a little cottage by the lake, Cora is eager to take on employment with James Buckler, Duke of Ellerhouse. The pair soon discover that they are like oil and water, neither wanting to bend or give. Though James does not make her life easy, Cora finds herself completely enthralled with her young charges who need a parent in their life far more than they need a governess. Life is quickly becoming more unbearable with James challenging her at every turn but Cora is not one to be toyed with. Equal parts intelligent and spirited, she is not about to allow the duke to walk all over her without a fight. With more than 60 million athletes involved in sports in America, it is estimated that one coach will impact more people in one year than the average person does in a lifetime. Today's coach could be one of the greatest authoritative figures in the life of today's adolescent. So the question isn't whether coaches leave a legacy, but rather, what will that legacy be? Current trending research shows that only 15% of coaches are intentional about coaching beyond the skills and strategies of the game (1st Dimension). A 3-Dimensional Coach understands and harnesses the power of the coaching platform to coach the mind (2nd Dimension) and transform the heart (3rd Dimension). They can be the catalysts for internal transformation that guides both the coach and the athlete on a spiritual journey to finding purpose in our performance-based culture. Now that's a legacy! In 3D Coach, National Coaches Training Director Jeff Duke shares his own journey through the three dimensions of coaching and how it has impacted his life and those around him. He also shares the personal stories of coaches from all levels who have

implemented the 3D concept into their own programs and who have pointed to Jesus Christ, the Master Coach, as the ultimate example of how to lead athletes to true significance.
